CLINTON'S PRAIRIE HILLS RETIREMENT COMMUNITY EXPANDS MEMORY CARE PROGRAM TO ACCOMMODATE LOCAL SENIORS

CLINTON COUNTY – Prairie Hills at Clinton, an established Assisted Living and Memory Care Community located at 1701 13th Avenue North, has expanded their Memory Care Program to add eight additional apartments.

The Gardens Memory Care Program at Prairie Hills now has a total of 20 apartments, in a studio-style layout. With heightened need and interest in secure memory care programming, Prairie Hills made the decision to expand in February and executed this transition on March 1st, 2018.

“Each staff member regularly undergoes extensive training and ongoing education to provide the best possible care to those living with an Alzheimer’s or dementia diagnosis,” said Heather Hoenig, Community Relations Coordinator. “The addition of these eight apartments will allow us to serve even more seniors in the Clinton County area and beyond, under the philosophy of ‘Embracing Every Moment’ of their journey.”

In celebration of this expansion, Prairie Hills is planning an open house for the public to attend on Wednesday, April 25th from 1:30 to 3:30 PM, which will begin with a ribbon cutting ceremony by the Clinton Chamber of Commerce.

Prairie Hills at Clinton’s Memory Care Program offers specialized dining, thoughtful design and purposeful activities to promote a well-rounded and comfortable environment. Each resident enjoys a private apartment and the daily programming changes to meet the specific needs of those who call The Gardens ‘home.’ Reservations are being accepted now. For more information or to schedule a tour, please contact Hoenig at 563-243-6870. Prairie Hills also offers Independent and Assisted Living.
